TERRES DE ROY

AOP Côtes-du-Rhône

A tribute to Baron Le Roy, it was thanks to this bold, visionary man, that the Appellation d'Origine Contrôlée Côtes-du-Rhône was founded in 1937, and the rest is history.

GRAPE VARIETY

Grenache et Syrah

TASTING NOTES

Purple, sustained robe with bright highlights. Charming nose with stone fruit and spice aromas. An elegant palate with rounded tannins. This wine stands out for its breadth, its warmth and its aromatic intensity. A complete wine with elegance and finesse through a good balance between tannins and fruits.

Serve between 16° et 18°.
